Knights Road Connection Project

The Purpose of the Flyer is to advise residents of upcoming workshops who are impacted by the Knights Road Cycleway Trial.

We need to hear your voice!

Installation of the Knights Road Connection Project first trial layout began on 14th February. The Knights Road Connection Project has been engaging with residents and community members to design temporary changes to the road layout which has resulted in the removal of car parking along the southern side of Knights Road. Feedback received during the five-week trial from the people who use Knights Road along with real time traffic monitoring will be used to determine whether the trial is adapted, extended or removed.

This potentially could result in further loss of car parking along Knights Road.

We encourage you to come along this **Sunday 28th February** and have your say.

We have arranged two workshops designed for the Residents of Knights Roads and adjoining streets to hear your voice! These workshops will be facilitated to listen, discuss, and provide feedback on your thoughts to the Knights Road Connection Project and Lower Hutt City Council.

Workshop Details:

When: Sunday 28th February 2021

Where: Dowse Art Museum

James Coe Room 1 & 2

45 Laing's Road, Lower Hutt

Times: 10:00am – 12:00 noon or

2:00pm – 4:00pm

If you would like to attend either of the two workshops please RSVP by midday on Friday 26 February to **mqchairs@gmail.com** as light refreshments will be provided.

Auaha Evolving Spaces Project Team will be joining and facilitating the workshops to listen to your valuable feedback.

Alternatively if you are unable to attend these workshops and would still like to provide your feedback the following opportunities are available for you to have your say including events, workshops, online surveys, Facebook pages, websites, noticeboards, email and phone contact.

Event

Official Trial Launch **Friday 26th February** at 1:00pm by Waterloo Station. This is a formal launch of this trial and will include short formalities, followed by moving down the new layout and refreshments and feedback opportunities at the pop-up park at Birch St. We would love to see you there!
