The construction of a digital billboard fronting The Esplanade, Petone that does not comply with conditions for signs within a Commercial Activity Area.

4. The specific parts of the application that my submission relates to are:

Give details

Maximum height and maximum face area

Submission number **RM220088-SUB11**
 OFFICE USE ONLY

5. My submission is:

Include whether you support or oppose the specific parts of the application or wish to have them amended; and the reasons for your views (extra sheets maybe attached if you wish).

My submission opposes the construction of an electronic billboard which exceeds the maximum height and face area of the permitted activity conditions in a Commercial Activity Area.

This area is adjacent to one of the busiest roads in the Wellington region; a huge amount of traffic uses the Esplanade everyday, all day. There are already enough distractions for drivers along this stretch of road, with many driveways, parked cars and side roads.

Despite the volume of traffic, the Esplanade has a unique character, and installing a massive billboard is not in keeping with its nature and sets an ugly precedent.

6. I seek the following decision from the consent authority:

Give precise details, including the general nature of any conditions sought.

I see no benefit to the local population of this type of advertising and as such it should not be permitted.

7. I ☐ wish ☒ do not wish to be heard in support of my submission.

8. If others make a similar submission, I ☐ will ☒ will not consider presenting a joint case with them at the hearing.
