This is a horrific proposal. There is nothing for anybody to gain expect the profit made by the applicant. The community gains nothing. The residents gain nothing. It is not something that the community has been requesting. The outcome would be an eyesore, and one that local residents would be unable to avoid. The massive illuminated Kmart sign shines into Riddlers crescent. Inescapably. This would be just the same and would also detract from the enjoyment of the Esplanade by visitors. If it led to the proliferation of more such signs it would ruin the Esplanade completely.
