Give details

Construction of a digital billboard that does not comply with Chapter 14 General Standards in commercial zone

Submission number **RM220088-SUB29**
OFFICE USE ONLY

5. My submission is:

Include whether you support or oppose the specific parts of the application or wish to have them amended; and the reasons for your views (extra sheets maybe attached if you wish).

I oppose the construction of a digital billboard at 47 The Esplanade, Petone.
Not digital billboard anywhere along corridor next to Wellington Harbour side and Petone Beach. Commercial distraction from natural beauty.
Oppose any digital brightness requests. Certainly not what is proposed.
- Not benefitting people of Lower Hutt or financially benefitting Hutt City Council. I oppose allowing this & creating a precedent for exceeding size currently in General Standards in commercial zone.
- Be more like Maine, Alaska and Hawaii in USA and prohibit billboards of large size.
- Also opposed to Media works billboard digital advertising as they have shown to have no journalistic or moral integrity with messages they have shown over last two years. Corporate business paid propaganda messages from corporate sponsors like pharmaceutical industry.

6. I seek the following decision from the consent authority:

Give precise details, including the general nature of any conditions sought.

For proposed construction to not proceed. Not digital, at all.
I would be happy for a non-digital construction in existing size requirements, at that location, commercial zone.

7. I ☒ **wish** ☐ **do not wish** to be heard in support of my submission.

8. If others make a similar submission, I ☐ **will** ☒ **will not** consider presenting a joint case with them at the hearing.
