5. My submission is:

Include whether you support or oppose the specific parts of the application or wish to have them amended; and the reasons for your views (extra sheets maybe attached if you wish).

I oppose this application. A large digital billboard will be an eyesore on what is zoned as a mixed use area. It will be distracting to drivers, despite what the applicant's paid consultants have said. The Esplanade should not be overtaken by commercial, dominating signage, when it is beside the beach which is a place of recreation in nature.

6. I seek the following decision from the consent authority:

Give precise details, including the general nature of any conditions sought.

Decline the consent application

7. I ☒ **wish** ☐ **do not wish** to be heard in support of my submission.

8. If others make a similar submission, I ☐ **will** ☐ **will not** consider presenting a joint case with them at the hearing.
