5. My submission is:

Include whether you support or oppose the specific parts of the application or wish to have them amended, and the reasons for your views (extra sheets may be attached if you wish).

I oppose increasing signage beyond current restrictions. Why encourage anything that distracts drivers and bicyclists from the roadway. This is a beach walkway and should not be subject to such overt displays for the purpose of advertising. What is the point of regulations when the council is constantly allowing applicants to "bend the rules". Who does this benefit? It sets a poor precedent for the community when we prioritise advertising over the traffic problems which already exist in this area.

6. I seek the following decision from the consent authority:

Give precise details, including the general nature of any conditions sought.

Please oppose this billboard and large dimensions

7. I ☐ wish ☒ do not wish to be heard in support of my submission.
