Kia Ora Linda,

Thank you for your submission.

Unfortunately, due to the angle and quality of the images you have provided, it is difficult to read your submission. Often when photos are emailed in, they lose some quality when sent through the internet. I notice that the writing on the form is typed, if you wanted, you could attach the document that you typed on the computer into a response email. Or you are more than welcome to drop these pages into the front counter at Hutt City Council and we can file them appropriately.

We will record your objection, but given that the details are difficult to read, it would be a general objection at this stage.

Kind regards

Robbie C
